STAINED GLASS

Fall Workshop Catalog 2026

All About Bugs

2 Sessions: Saturday 08/22/2026

Sunday 08/23/2026

Time: 12:00pm - 4:00pm

Tuition: \$220

Material Fee: \$35

Celebrate the beauty of the tiny creatures that brighten our gardens by creating your own whimsical stained glass bug! Students will choose from four charming designs and transform colorful glass into a cheerful work of art while learning the fundamentals of stained glass construction and soldering.

The Budding Glass Suncatcher & Bud Vase

1 Session: Sunday 08/30/2026

Time: 9:00am - 4:00pm

Tuition: \$195

Material Fee: \$35

Bring a touch of color and nature into your home by creating a beautiful stained glass suncatcher that doubles as a charming bud vase. Students will choose one of three panel designs to personalize their project. Using colorful stained glass, you'll learn the techniques needed to assemble and solder your chosen design into a finished piece that's both decorative and functional.

Geometrical Stars: Five Pointed 3-D Stained Glass

4 Sessions: Saturday 09/05/2026

Sunday 09/06/2026

Saturday 09/12/2026

Sunday 09/13/2026

Time: 12:00pm - 4:00pm

Tuition: \$440

Material Fee: \$35

Create a dazzling set of three-dimensional, five-pointed stained glass stars in this exciting class! Students will learn how to solder clean right-angle joints using forms to support the pieces during assembly. Stars range in size from approximately 3½" to 6½", and students may choose to make all three the same size or create a graduated set featuring each of the three sizes.

Registration opens Tuesday, July 14th at 7:00am on www.wesleyanpotters.com

Hand-Pieced Four Patch Pin Cushion

Instructor: Jayne Whittles

1 Session: Saturday 08/29/2026

Time: 10:00am - 2:00pm

Tuition: \$85

Material Fee: \$15

Rediscover the "slow-stitch" movement in this beginner-friendly workshop focused on traditional hand-piecing. In this class, you will learn 3 stitches, how to mark seam allowances, proper pressing technique, and use the Ladder Stitch for an invisible finish. Leave with a sweet, functional tool and essential skills for "slow-stitch" quilt making.

Basket Weaving: Small Berry Basket

Instructor: Joyce Frederick

1 Session: Sunday 09/20/2026

Time: 12:30pm - 4:00pm

Tuition: \$85

Material Fee: \$15

In this beginner basket weaving workshop, students will learn how to weave a small round berry basket that is about 6" tall. Natural reed will be used for the body of the basket and various colors of dyed reed will be available so that you may add your own personal touch!

Wabi-Sabi Collage Art

Instructor: Jean Rill-Alberto

1 Session: Saturday 09/26/2026

Time: 10:00am - 1:00pm

Tuition: \$80

Material Fee: \$20

Discover the beauty of imperfection through the art of wabi-sabi. In this inspiring mixed-media workshop, students will use torn washi paper, handmade papers with deckled edges, natural fibers, ink, and a variety of found and decorative materials to create expressive collage art.

A Spoonful...and More!

Instructor: Robert Dancik

2 Sessions: Saturday 10/10/2026

Sunday 10/11/2026

Time: 9:30am - 5:00pm

Tuition: \$375

Material Fee: \$20

Explore the artistry and endless possibilities of the humble spoon in this creative metalsmithing workshop. Using a selection of metals, you'll shape and form the bowls of your spoons, pairing them with handles made from nearly any material. This workshop is for students who have completed at least one metalsmithing jewelry class and are ready to expand their fabrication skills.
